RE: Informal Conference of June 19, 2015

In the course of the June 19, 2015 informal conference, Louisville Gas and Electric Company and Kentucky Utilities Company (collectively the “Companies”) distributed four exhibits. The Companies distributed: (1) a copy of their presentation; (2) a copy of the Evaluation of Trimble County Coal Combustion Residual Storage Options; (3) a letter to the Louisville District Corps of Engineers from the United States Environmental Protection Agency (“EPA”); and (4) an excerpt from the Federal Register along with an EPA Memorandum and an e-mail from an EPA representative to counsel for Sterling Ventures, LLC (“Sterling Ventures”). All four items were appended to the initial informal conference memorandum.

The initial June 24, 2015 informal conference memorandum also referenced a document from Sterling Ventures labeled Exhibit 6C. This document was inadvertently omitted from the memorandum and is attached to this supplemental memorandum
